Advanced Shape Memory Technology for Biomedical Engineering

Published On: January 23, 2016 | Pages: 001 - 002

Author(s): Abhijit Vijay Salvekar, Wei Min Huang*, Subbu S Venkatraman

The ability to recover to the original shape only at the presence of the right stimulus is traditionally known as the shape memory effect (SME) [1]. The materials with such a capability are technically termed shape memory materials (SMMs) [2]. ...
